

This home features the option for a walk-up staircase that provides private access to the basement from the backyard.

Consider an optional rec room in the basement to add even more finished space. This space is ideal for use as a home theatre, home office, kids playroom or teen lounge.

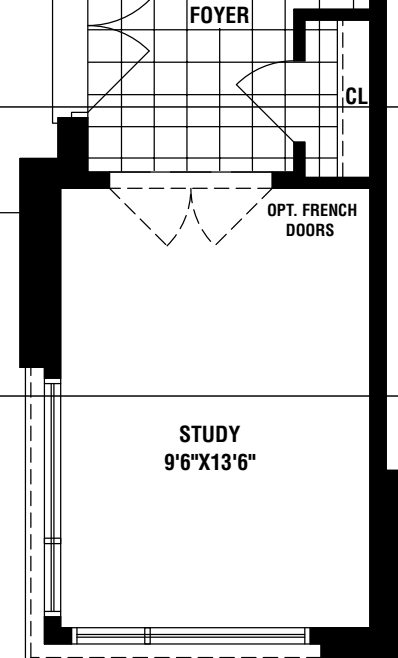

This corner home enjoys an abundance of light and a charming side-facing main entrance with a large porch.

The study located off the main foyer can be used as a home office/homework area, fitness studio or guest bedroom.
